

As I sit down to write this article, we’re in the last full week of June and this is what my news feed tells me: “Meteorologists say there is a heat dome — an area of high pressure in the upper atmosphere that traps heat and humidity — sitting over a large portion of the country. When a heat dome becomes stationary, the air within it can become extremely hot and stagnant, leading to dangerously high temperatures and poor air quality. The first few heat waves of the season are particularly dangerous because the human body has yet to adjust to the seasonably warmer temperatures, experts say.” I’m no expert, but I’m certain my human body hasn’t adjusted yet to the heat...and I’m 50 years old this week! ☺

Let’s turn our attention to celebrating all that God is doing to keep our minds off the heat, shall we.... Our students got back from their Xtreme Summer Camp, and I know it was a wonderful time of growth for them. Be sure to continue and encourage them as we see the Lord magnified in their lives.

As I write this, the Kenya team will be home in a couple of days, but the Lord has used them in mighty ways in their time there! Thank you for all the prayers lifted for these teams; their spiritual health and protection, their unity and focus, for spiritual boldness and clarity as they serve, for overcoming fear and worry and for their physical health and protection. The Lord has heard....and answered! PTL!

I’m also excited about July! This month we will be looking again at “What’s In A Name.” Last August we spent time digging deeper into the names of God found in Scripture and I know the Lord will bless us richly as we look at four more this month. The power of God's names is not something that is simply theoretical, but deeply practical, and can and should be used by us in our everyday lives. If we know and understand their significance, we can deepen our relationship with God. We will understand that we are being shepherded in our daily walk. We will experience His healing and restoration in our lives and live with greater purpose and meaning knowing that God's promises through His names go before us and help us to live a life found in His will.

I’m praying for you and your families! See you all Sunday!
