As we are beginning September, let me extend a special invitation to vou. We have a wonderful selection of small groups available on Sunday mornings at 9:15 am. We still refer to those as Sunday School classes, but no matter what you call them, our prayer is to see all our church family get involved in one. From our bed babies to those in their "twilight years" we have a group for you. Please get with your deacon or one of us on staff so you can plug in to a group. This is a wonderful way to know more of our church family, but also grow spiritually and find some prayer warriors you can depend on in times of need. Don't miss out on these incredible ministries.

We have several things going on this month, one of which is deacon nomination. You have two Sundays to submit a name for consideration. I urge you to make this a high priority in your prayer life if the Lord has put a name on your heart.

Another event for our church is our fall church workday! Saturday morning, Sept. 21st beginning at 8:00 am, we'll meet in the back, at the kitchen door and divide and conquer. There are lots of "little" things outside and inside that need attention and some "larger" projects that we can benefit from a good morning's work by many of our church family members. Bring your clippers, rake, weed eaters, gloves, pressure washer, mask if needed, tool bag, etc. We'll have a list of needs and hope to knock out several of them on September 21st!

Ś

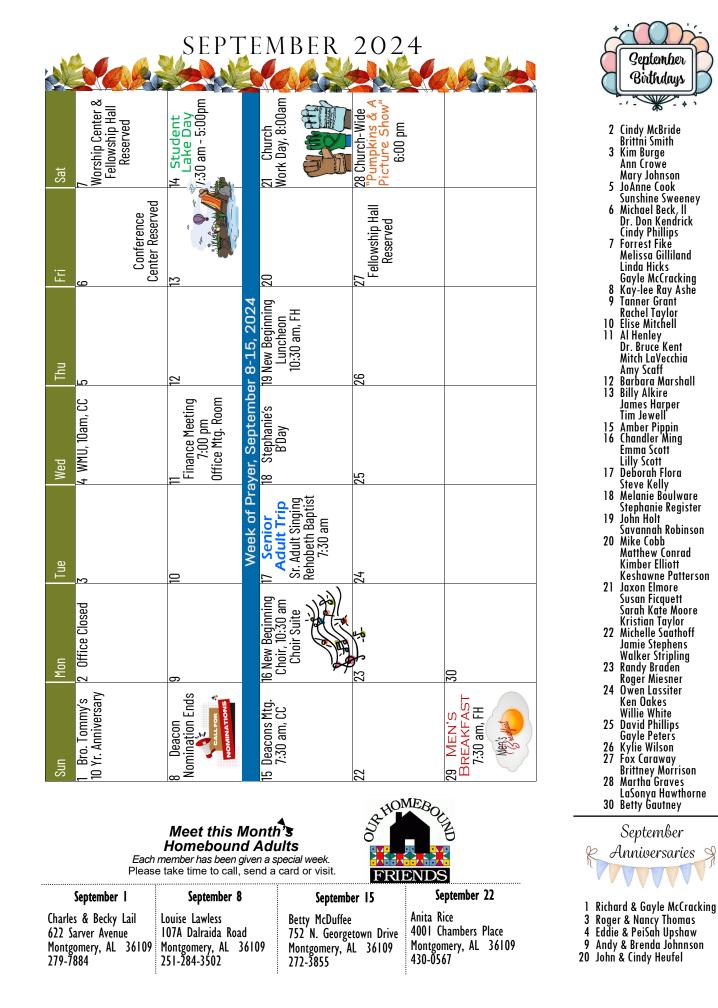

Also, please take note that our pre-school and children's departments are inviting our entire church family to their Pumpkins & Picture Show! This will be a fun night in the field for everyone. Don't miss out on this time of fellowship!

One more thing.... toward the end of the month we'll begin a new Sermon series, The Armor of God. Each week we will look at a different piece of armor the Lord has given us for protection and blessing. His armor, our promises to claim!

Remember...be praying about how the Lord would have you give to our Meal-Kit giveaway ... one of our largest outreach events to our community....let's make sure they can see our lampstand light!

It's going to be a great September! Thank you for your prayers for me and my family! We love you!
