

*Til the Trumpet*

Warmest regards to everyone reading our newsletter this month. I say warmest because each week is getting a little hotter and as the calendar finally turns to July, the real heat is on! ☺

July has many wonderful things in store for us as a church beginning with our students Deep Impact in North Carolina. 19 people will leave on the 1st and return on the 6th! Please be in prayer for them as they travel, serve, and grow together as a group and spiritually in their walk with the Lord. A special shout out to Bro. Joel Register who has taken the lead in serving our students in our time without a student pastor. Please express to him our gratitude and prayers as he fills in service to this vital role..

July 16th-19th our children's ministry will be at Shocco participating in Student Life. Please pray for the 21 that will be having loads of fun, receiving Christ centered teaching, having powerful worship times and tremendous opportunities for growth. Thank you to Mrs. Stephanie as she leads this ministry and to our chaperones who are so willing to give of their time to help with both groups! Your prayers and support of our church make this possible. To close out the month we have the annual beach retreat for our students which includes the upcoming 7th graders! This is a wonderful time of transition and bonding, not to mention the bible study and worship they get to share in! Again, pray for travel and blessings!

After reminding you of these vital events in the life of these ministries and our church as a whole.... I haven't even scratched the surface of our weekly Wednesday night activities for all ages, including our adult prayer meeting and choir practice. You will want to be a part of the meal at 5:00 and stay for all these things to get an even greater blessing of all the Lord is doing here at Dalraida!

Sunday night, July 14th is going to be super special, our New York Mission team will be sharing at 5:00 pm followed by Ice Cream and Watermelon! We'll be inside the fellowship hall for this event, the watermelon is provided but you bring your favorite ice cream to share with everyone.

One more thing, we continue to look at these familiar names we've heard before as we study God's word, but their stories have been forgotten. The Lord has so much to teach us from these stories and how they can have a powerful impact in our daily lives.... even now! I hope to see you at all our regular events and again, I urge you to join me in praying for our students, it's a big month for all age groups! Blessings!
