

It’s June at Dalraida and everyone knows what that means...Vacation Bible School! Even as I’m typing this article there are things going on all over campus to “get ready” for VBS.

To help you all in praying for VBS a little deeper I wanted to share with you the moto and verse for the week. **Made to Magnify God!** *“Proclaim the Lord’s greatness with me; let us exalt His name together.” Psalm 34:3*

I’m not going to type you out a sermon, but we know a single book can change people forever, that book, the BIBLE! These students will be in the bible all week long, studying and learning of all it teaches about the Savior of the world, Jesus Christ! As you are praying and supporting them this week, be in God’s word and highlight their verse and speak it each day!

I hope as you read that memory verse for the kids this week you caught one of the most important words...**us!** The Psalmist is inviting **us** to rejoice at the goodness of God...Gill explains it this way, *“to join with Him in ascribing greatness to the Lord, which is meant by magnifying Him; for He cannot be made great by men, only declared how great He is, and that can only be done in an imperfect manner; and let us exalt His name together: by proclaiming Him to be the most High;”*

I’m urging **us** as His children, **us** as His church to proclaim His greatness, magnifying Him this week and far beyond and continuing in exalting His name together...forever! Vacation Bible School for **us** this year already has more preregistered than we had in our highest attended day last year.... what does that mean? God’s greatness is already at work in the hearts and lives of all those who will be here! Join **us** in proclaiming our Lord’s greatness in our prayers and participation this week of VBS and all the days of our lives!

Also, don’t forget to continue in prayer for our Kenya Mission Team as well as our students who are all “on mission” this month. It’s exciting for me to think about it this way...Jerusalem (VBS), Judea (youth in Panama City) ...Samaria (team just got back from NY) and to the end of the earth (villages in Kenya). The Lord is being **MAGNIFIED** through Dalraida Baptist Church...how can we not **“exalt His name together!”**
