

Fill the Trumpet

If you're like me, I can't believe we are at the start of a new year! With every evolution of the calendar, we seem to bring great expectations for new things, and I hope this year is no different.

As a growing church family my prayer is we have turned the calendar to 2024 with so much anticipation of not just seeing all the blessings from the Lord, but participating in all that He has in store for us.

The January calendar is already filling up with wonderful opportunities to not only serve, but to grow spiritually. We closed out the year having spent time on our knees, looking at our own lives to see where we are in our walk with the Lord and examining our church as a whole to see how bright our lampstand is burning. As we continue this journey of growth, make note of all the opportunities, and identify where the Lord has gifted you. I urge you to boldly step in to fill that need of service! The nominating committee will be meeting on the 3rd and there are some big needs for ministry team leadership as well as some teacher and teacher helper spots, be praying now if some of these needs are God's calling for you.

January is also Sanctity of Human Life month. Let me thank you for your support of the First Choice Tree at Christmas... **AWESOME SUPPORT!!** This month we'll welcome a representative from First Choice to share a few minutes in our worship on the 21 st about some other ways we might be able to help. This is a wonderful ministry that we are blessed to partner with.

One more thing, I'll be beginning a new series called "Facing the Giants". I haven't talked to the Kendrick brothers about borrowing their movie title, but hopefully they'll be okay with it. I hope you'll plan to be here each week as we allow God to teach us how to cope with difficulties that can seem overwhelming sometimes from one of the most familiar bible stories. We all have giants in our life, but praise the Lord, through Christ, they can be conquered!
