The Pastor's Heart

"The hidden things belong to the Lord our God, but the revealed things belong to us and our children forever, so that we may follow all the words of this law."

Deuteronomy 29:29

We are living through a very critical time for our families, church, community, state, nation, and even our world. It seems that every day or two the authorities, who are trying to discover and navigate the way we should respond to the invasion of this particular coronavirus (COVID-19), are forced to change their projections of how long this will last, and their recommendations as to how we should respond.

However, they are not for us to blame, but rather we should intensify our praying that God would grant them wisdom in their roles of leadership. Please join with me in a commitment to pray for our elected and appointed leaders. Pray for God to do a miracle!

Concerning the present atmosphere of partisanship and political loyalty, pray for strongholds to be brought down, for lies to be exposed, and for a coming together for the good of our nation. I truly believe that only God can bring this to fruition.

Pray for the news media to refrain from divisive rhetoric, and return to giving us newsworthy facts, rather than politically biased statements.

Now, these are the things over which you and I have no direct power—only the power available through prayer. These are the hidden things which belong to the Lord, as stated in the scripture passage above.

The things which belong to us are the Christian disciplines as taught in His Word. We are to come boldly before Him in prayer; to seek His face more earnestly than seeking His hand. We are to turn from our disobedience. God says in **2 Chronicles 7:14** that if we will do that, not only will He forgive us, "He will heal our land!"

As we do our part: to follow the advice of the medical profession, to obey the directives of our civic authorities, to pray, to love the Lord our God, to love our neighbor, and be the instruments for spreading the gospel message. I truly believe that we will see the healing of our land. Every great movement of God has come only after His people have met His requirements.

Bro. Reid

Children's Minister

"For God has not given us a spirit of fearfulness, but one of power, love, and sound judgment."

2 Timothy 1:7

Hey kids! Do you remember learning this verse during Vacation Bible School? Through all our Bible lessons together, we have learned so much about having faith in God! I am so thankful that during these times that may be a little challenging for us, we can put our trust in knowing God will take care of us! I want you to know that I am praying for each and every one of you! It has truly been hard not seeing you these past few weeks! We understand that it is so necessary to stay at home with our families to stay well! That doesn't mean it is always easy! Please know that I am here for you! I am loving, missing, and praying for you! I cannot WAIT to see how you've grown, how many teeth you've lost, and all the fun stories of games you've played with your families! Be brave! Stand Strong! Obey you parents! Love your siblings!

♥ I love you sooooo much!

Heather Dence

Preschool Minister

1 Peter 5:7 "Cast all your cares upon Him, for He cares for you."

I miss you all so much! I cannot wait until we can meet again as a church family and to be able to see and love on your precious babies again soon! Until then, you are all in my constant prayers. I hope you are taking this opportunity to spend quality time having fun together as a family! I also pray that you are growing closer to God in this time of stillness through prayer and devotion. I am looking forward to, hopefully, worshiping together for our Easter service and celebrating the resurrection of our Savior! I love and miss you all!

Associate Pastor/Worship Pastor

Hey Church family! I don't even know where to begin really. Let's start with, I miss you **ALL** so much! It's only been a couple of weeks, but it feels longer. I'm very much looking forward to when we can assemble in the worship center, the celebration band and choir leading, and we turn our hearts to the Audience of One and fill it up with our offerings of praise!

I was sharing with someone the other day, I think on our next senior adult trip, I'm going to have to plan breakfast and lunch to give us extra time to catch up and fellowship! It's been difficult not having those special events and trips but staying healthy is the most important thing right now for everyone, but especially our wonderful group of senior adults. Whenever we're able to celebrate Senior Adult day this year, I promise we're going to make it extra special!

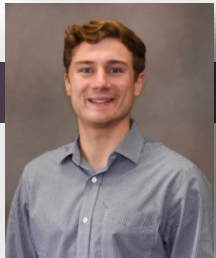

I hope that you and your families have taken this opportunity to sing or at least listen to some praise and worship music, I trust it can be an encouragement for you. It can even be great if you're having to sing acappella, worship is from your heart, and that's what the Lord is listening too. (If your family asks you to sing softer, just remind them to listen to your heart as well 😊)

It is so humbling to be serving here at Dalraida, the heart of our church staff has been so evident in these trying times. We've continued to meet, to look ahead, brainstorming ideas and possibilities, but for me, our prayer time, pouring our hearts out, the spirit of the Lord so fills that office, that I'm certain if you're driving by at that time you can literally see it! What a blessing Bro. Rick is leading us through these uncharted waters. His positive spirit, that has been evident to the staff from the start was so present in his message last week! Through all of this, no matter when it's finally behind us, as we continue to look ahead, God is able and still in control! Praise His Holy Name!

It's impossible to convey to you all how much Melissa, Forrest and I love you and miss you. We are praying for you each day. We look forward to that time where our big family, the Dalraida family, are together celebrating all that our Lord has done for us! Sometime this week, read Romans 12, I know this passage will give you encouragement! Please call, text, email, etc. If you need anything, we're here for you!

In closing, sing this with me: *"There's within my heart a melody, Jesus whispers sweet and low. Fear not, I am with thee, peace, be still, In all of life's ebb and flow. Jesus, Jesus, Jesus! Sweetest Name I know! Fills my every longing, keeps me singing as I go!"*

Blessings,

Student Pastor

Hey Dalraida Students and parents! I miss all of you very much and long for the day we'll get to meet again! Know that I've been praying for you. I pray that all of you are utilizing this time to pursue Christ above everything else. You literally have no excuse now to not read your Bibles and spend time in prayer. Remember the 5 forms of Bible Intake. Read, Hear, Study, Memorize, and Meditate on God's Word daily! I love each of you and pray you remain healthy during this season, but ultimately, I pray you become more like Christ! If you need me in any way, let me know! Colossians 1:9-10 says, *"And so, from the day we heard, we have not ceased to pray for you, asking that you may be filled with the knowledge of his will in all spiritual wisdom and understanding, so as to walk in a manner worthy of the Lord, fully pleasing to him: bearing fruit in every good work and increasing in the knowledge of God."* I'm praying this for you! Grace be with you.
